The reference AN is listed on the IDS filed June 22, 2002.

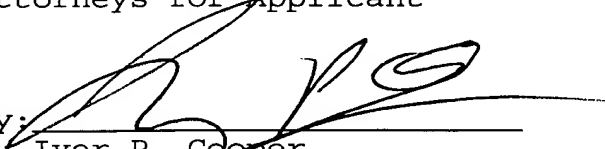

A copy of this list was attached to the June 3, 2002 office action. All references except AN were initialed as considered. AN was neither initialed or considered.

If reference AN was considered, we ask that this be acknowledged in the next office action. If the Examiner inadvertently failed to consider AN, we ask it be considered and acknowledged. If the Examiner deliberately failed to consider AN, we ask that the examiner explain the problem, so we can take remedial action.
